Summary

Aspiring Software Developer with a strong foundation in Java, Spring Boot, MySQL, HTML, CSS, and JavaScript. Passionate about building scalable web applications, solving problems, and continuously learning new technologies. Eager to contribute to a dynamic development team and grow as a software professional.

Skills

Languages: Java, JavaScript, HTML5, CSS3, SQL

Frameworks: Spring Boot, Spring AI, Bootstrap

Backend: REST APIs

Database: MySQL

Tools: Git, GitHub, Maven, Postman, VS Code, IntelliJ IDEA

Core Concepts: OOP, DSA, Problem Solving

Experience

Java Full Stack Developer Intern

June 2026 – Present

Zidio Development

Remote

- Developed the Leave Management module for the NexusHR application using Java, Spring Boot, MySQL, HTML, CSS, and JavaScript.
- Designed and implemented RESTful APIs for leave request submission, approval workflow, and leave history management.
- Integrated MySQL database operations to manage employee leave records efficiently.
- Collaborated with the development team using Git and followed Agile software development practices.

Projects

AI Interview Preparation System | *Java, Spring Boot, Spring AI, MySQL, HTML, CSS, JavaScript*

2026

- Developed a web-based interview preparation system using Java, Spring Boot, Spring AI, MySQL, HTML, CSS, and JavaScript.
- Integrated Spring AI to generate interview questions, personalized study plans, and topic-based learning recommendations using Large Language Models (LLMs).
- Designed and implemented RESTful APIs for user authentication, topic management, and AI-based features with MySQL database integration.
- Built a responsive user interface and optimized backend services for efficient data processing and user experience.

Job Portal | *Java, Spring Boot, MySQL, HTML, CSS, JavaScript*

2025

- Developed a full-stack Job Portal application using Java, Spring Boot, MySQL, HTML, CSS, and JavaScript.
- Implemented user authentication, job posting, job search, application management, and role-based access control.
- Designed and developed RESTful APIs with MySQL integration for managing users, job listings, and applications.
- Created a responsive user interface to improve usability across desktop and mobile devices.

Certifications

- Java Programming Certification – Win Tech
- JavaScript Certification – GeeksforGeeks
- MySQL Certification – Cognitive Class

Education

Bachelor of Science (B.Sc.) in Computer Science

Graduation: 2026

M.D.T. Hindu College, Tirunelveli

CGPA: 7.9+/10
